SREE GOKULAM NURSING COLLEGE, VENJARAMOODU DEPARTMENT OF COMMUNITY HEALTH NURSING

As a part of Community Health Nursing posting and observance of World Cancer Day the 2nd year P.B.B.Sc. Nursing students conducted an awareness class on cancer on 17/03/26 at FWC Vamanapuram.

World Cancer Day is observed every year on February 4 to raise awareness about cancer, encourage its prevention, and promote early detection and treatment. The day aims to reduce illness and death caused by cancer.

Objectives of the Programme

- To create awareness about cancer and its risk factors
- To promote early detection and screening
- To encourage healthy lifestyle practices
- To reduce stigma associated with cancer
- To educate the public about treatment options

The P.B.B.Sc. Nursing students presented an informative session, at FWC, which includes the detailed description of Cancer, its etiology, warning signs clinical manifestation, diagnostic evaluation, treatment modalities and management of the disease, and stressed about the need for early detection of cancer.
