

## SREE GOKULAM NURSING COLLEGE, VENJARAMOODU DEPARTMENT OF COMMUNITY HEALTH NURSING

### Cheshire Home Visit Report

As a part of Community Health Nursing posting for 5th semester BSc nursing students & 2nd year Post basic BSc nursing students, we visited cheshire home. In that area students got adequate information about cheshire home purposes and objectives.

#### Objective:

To observe and understand the services and care provided by Cheshire Home.

#### Key Observations:

1. **Residential Care:** Cheshire Home provides residential care for people with disabilities, offering a supportive and inclusive environment.
2. **Therapeutic Services:** The home offers various therapeutic services, including physiotherapy, occupational therapy, and speech therapy.
3. **Daily Activities:** Residents engage in daily activities, such as arts and crafts, gardening, and recreational activities.
4. **Care and Support:** Staff provide personalized care and support to residents, promoting independence and dignity.
5. **Community Integration:** The home encourages community integration, with residents participating in local events and activities.

#### Best Practices:

- **Person-Centered Care:** The home's person-centered approach ensures that each resident's unique needs and preferences are respected.
- **Staff Training:** Staff receive regular training to enhance their skills and knowledge in caring for people with disabilities.
- **Inclusive Environment:** The home's inclusive environment promotes social interaction and a sense of community among residents.

#### Conclusion:

# SREE GOKULAM NURSING COLLEGE, VENJARAMOODU
